## Salt & Sand

Scotian Gold sources **salt** that won't clump. It **efficiently** breaks down bonds between ice and surface to deliver the most **effective** solution for **snow** and **Ice traction** problems.

\*\*Can be treated with **Caliber** for melting power in extra cold conditions.\*\*

Item Bag	Size	Bags per Pallet
Valley Ice Salt	10 kg	100
Valley Ice Salt	20 kg	50
Valley ice Salt	40 kg	25
Salt Totes	1 mt	1

Scotian Golds' Valley Brand **Traction Sand** is a premium crushed slate product that will provide **real grip** and traction without the mess of regular sand.

Item Bag	Size	Bags per Pallet
No Slip Traction Sand	18 kg	56

**Jet Blue Ice Fighter** is made from the latest runway **de-icing technology** used at major commercial airports and military bases.

\*\*Extremely **reduced corrosion** to property and vehicles

\*\*Effective to  $-30^{\circ}\text{C}$

Item Bag	Size	Bags per Pallet
Jet Blue Ice Fighter	20kg	56

Using **Urea** for ice and snow traction problems **benefits** two ways. Concrete walkways, pavers and driveways are **not damaged** by potentially corrosive salt and lawn benefit by the runoff containing **nutrient rich** Urea.

Item Bag	Size	Bags per Pallet
Urea 46-0-0	25kg	40
