

SCOTIAN GOLD PETROLEUM PRODUCTS LISTING

Sonic Silver Motor Oil

Sonic silver is our most popular motor oil. It is a low ash motor oil containing a friction reducer to improve fuel economy and ensure maximum wear protection. API Service: SJ

Sonic Green Motor Oil

Sonic Green is a high quality, warranty approved, re-refined motor oil for today's environmentally tuned market. API Service: SJ

Sonic Automatic Transmission Fluid

This automatic transmission fluid is available in either Dextron III or Mercon Type F.

Co-op Trans-Hydraulic Fluid

This trans-hydraulic fluid is designed for use in all modern farm tractors, construction, and off-highway equipment using a common oil system for the transmission, differential, power take-off, hydraulics, wet brake, and powers steering mechanisms.

Co-op Industrial hydraulic Oil

This industrial hydraulic oil is an anti-wear oil for all-season use, which is also fortified with rust and oxidation inhibitors.

Sonic MP Gear Oil

MP Gear oil is for year round use in most differentials and manual transmission in passenger cars, trucks, and off highway equipment. API Service: GL-5

Sonic Blue Guard Grease

Sonic Blue Guard is a premium multi-purpose grease with a lithium complex. Guard Grease has increased resistance to wash-off, a higher dropping point, and a NLGI Classification GC-LB Grade 2, the highest possible standard for multi-purpose grease.
